

# Three Doors Down, By my side

They  
blazed a trail I dared do run  
They built this world and I have come  
I need another, like a brother,  
for a cryin` shoulder  
This could be the last time, you will stand by my side  
I can feel my soul its bleeding, will you fly with me this  
evening  
Sober mind time now is gone, they carved my body not of stone  
A pretty maze of emptiness, Ive said the hell with all the rest  
This could be the last time, you will stand by my side  
I can feel my soul its bleeding, will you fly with me this  
evening  
This could be the last time, you will stand by my side  
I can feel my soul its bleeding, will you fly with me  
tonight  
This could be the last time, you will stand by my side  
I can feel my soul its bleeding, will yu fly with me this  
evening
