

# Three Doors Down, Loser

breathe in right away nothing seems to fill this place I need this every time  
take your lies get off my case some day i will find a love that flows through me  
like this This will fall away this will fall away  
you're getting closer to pushing me off of life's little edge cause i'm a loser  
and sooner or later you know i'll be dead you're getting closer you're holding  
the rope and i'm taking the fall cause i'm a loser i'm a loser yeah  
this is getting old i can't break these chains that i hold my body's growing  
cold there's nothin left of this mind or my soul addiction needs a pacifier the  
buzz of this poison is taking me higher this will fall away this will fall away  
you're getting closer to pushing me off of life's little edge cause i'm a loser  
and sooner or later you know i'll be dead you're getting closer you're holding  
the rope and i'm taking the fall cause i'm a loser i'm a loser  
you're getting closer to pushing me off of life's little edge cause i'm a loser  
and sooner or later you know i'll be dead you're getting closer you're holding  
the rope and i'm taking the fall cause i'm a loser i'm a loser  
you're getting closer to pushing me off of life's little edge cause i'm a loser  
and sooner or later you know i'll be dead you're getting closer you're holding  
the rope and i'm taking the fall cause i'm a loser i'm a loser
