

Thumb, Fade Away

ev'ry day passes by, without a low, without a high....
first i wake up, to be me again, with nothing to say and noone to blame!
then i can't do the things i adore, 'cause i've lost all the passion that i used to live for....
i wish i still had the fire inside of me, so i could see the picture that i used to see.....

'cause i feel it as it slips away.....and i try the best i can, but it won't stay!
'cause you know it, we all fade away and we try the best we can but it won't stay..'cause it is me...a

ev'ry word's been said before, ev'ry feeling's been felt, nothing new to explore...how can i believe th
hey what's so great about this life anyway, you get to learn how to live, then you just fade away.....i

'cause i feel it as it slips away.....and i try the best i can, but it won't stay!
'cause you know it, we all fade away and we try the best we can but it won't stay..'cause it is me...a

i never thought i could be this way, i never really thought i could feel this way, how dare i not believ

'cause i feel it as it slips away.....and i try the best i can, but it won't stay!
'cause you know it, we all fade away and if we try the best we can we'll make it stay..'cause it is me
