

# Tiësto & KSHMR, Secrets (ft. Vassy)

Won't you stay for awhile  
I'll take you on a ride  
If you can keep our secrets  
Oh won't you stay for awhile  
Show me goggles baby  
Show me deep inside

Won't you stay for awhile  
I'll take you on a ride  
If you can keep our secrets  
Oh won't you stay for awhile  
Show me goggles baby  
Show me deep inside

Won't you stay for awhile

I'll take you on a ride  
If you can keep our secrets

Stay awhile  
Stay awhile and I'll make it worth your wild  
Worth your wild  
Stay awhile  
Stay awhile and I'll go the extra mile  
Extra mile

But if you wait until the lights goes down  
I got some drinks that'll help scream right now  
So stay awhile  
Stay awhile and I'll make it worth your wild  
Worth your wild

Oh won't you stay for awhile

Oh won't you stay for awhile  
I'll take you on a ride  
If you can keep our secrets

Oh won't you
