

Timo Maas, To Get Down

What comes around
What comes around
What comes around
What comes around
Just comes around

What goes around
Just comes around
This is the sound
It's time to get down

What goes around
Just comes around
This is the sound
It's time to get down

What goes around
Just comes around
This is the sound
It's time to get down

What goes around
Just comes around
This is the sound
It's time to get down

What comes around
What comes around
Just comes around

What goes around
Just comes around
This is the sound
It's time to get down

What goes around
Just comes around
This is the sound
It's time to get down

What goes around
Just comes around
This is the sound
It's time to get down

What goes around
Just comes around
This is the sound
It's time to get down

What goes around
Just comes around
This is the sound
It's time to get down

What goes around
Just comes around
This is the sound
It's time to get down
