

Timo Rautiainen & Trio Niskalaukaus, Itku Pitk

sin pivn kaikki muuttui kummalliseksi
jotakin tapahtui, ote lipesi
joku nki unessa siivet viimeisen enkelin
jokin nousi taivaalle ja taivas tummeni

nyt on satanut puoli vuotta ei sateelle loppua ny
on Immint, silti palelee
jt sulaneet heikoiksi ja sitten vedeksi
maa alkanut peitty, meri hyryt

mit helvetti nyt tehdn, pian vedell peitty maa
ei arkkipaikkaa etukortilla varattua saa
eik lydy markkinamiehi meit pelastamaan
mit helvetti nyt tehdn, pian vedell peitty maa

kevtpiv kauan sitten jonkun toukokuun
seison vanhassa valokuvassa
seison saappaat jaloissa auringonpaisteessa
piha on nyt pohjaa ja saappaat hukassa

nyt pellot niin mrki eivt edes lapset kasva
jivt pieniksi, kutistuivat pois
ja jos on hiljaa kuulee veden nousevan
se on tll kohta, olen laskenut

mit helvetti nyt tehdn, pian vedell peitty maa
ei arkkipaikkaa etukortilla varattua saa
eik lydy markkinamiehi meit pelastamaan
mit helvetti nyt tehdn, pian vedell peitty maa

</lyrics>

on that day everything turned odd
something happened
the grip was lost
somebody dreamed of wings
of the final angel
something took the skies
and skies went dark

it has rained for six months now
we see no end to the rain
it's warm and still i'm feeling cold
the ice melted away
turned into water
it's covering the earth, the sea is steaming

what the hell are we going to do now
soon water covers all the earth
you can't reserve a place in the ark
with your bonuscard
where are the marketingmen
to save our souls
what the hell are we going to do now
soon water covers all the earth

a springday long ago
in some forgotten may
i stand in an old photo
i stand with my boots on in sunshine
our yard is now the ocean floor
and boots are gone

the fields are so wet
not even the children grow
left small, withered away
if one listens quietly
you can hear the water rising
it will be here soon, i've seen it come

what the hell are we going to do now
soon water covers all the earth
you can't reserve a place in the ark
with your bonuscard
where are the marketingmen
to save our souls
what the hell are we going to do now
soon water covers all the earth
