

# Timo Tolkki's Avalon, Neon Sirens

Sunday morning  
Alone in the shadows  
No more voices  
No sign of life below  
See the lights  
Across the toxic sky  
Am I looking death  
Straight in the eyes

Neon sirens in the street  
Screaming through th darkness  
And they're coming for me  
Neon sirens in the street  
Devils in the darkness  
Lords of the prophecy  
Neon sirens

Monday morning  
Lost in the shadows  
Is this my last day  
Nowhere left to go  
In my eyes  
I feel the great light  
Am I finally  
At the end of the line
