

# Tina Arena, Stay

As the days go by without number  
One by one  
As the clouds divide  
I sit and wonder  
When our time will come  
From the Northern Lights  
To the Southern Cross  
Between the earth and  
The Milky Way  
I must chart my course  
As I go back and forth  
And I wonder if it ever will change

Some day  
Maybe not so far away  
One day  
I'll be in your arms to stay  
You don't know what I'd give  
You don't know how it is  
You don't know what I'd give  
So stay

Another day  
Another night is over  
What have we to show  
Another mile  
Hello, goodbye  
There's a million more to go  
To overcome my fear  
When I'm way up here  
I close my eyes and silently pray  
It's too sad a fate  
For me to contemplate  
All this precious time slipping away

Some day  
Maybe not so far away  
One day  
I'll be in your arms to stay  
You don't know what I'd give  
You don't know how it is  
You don't know  
You don't know what I'd give  
So stay yeah yeah yeah

Oh yeah  
You don't know what I'd give  
You don't know how it is  
You don't know  
You don't what I'd give  
What it's like to stay

Yeah  
I will be in your arms yeah yeah  
Not so far away  
In your arms to  
In your arms to stay  
I will be in your arms  
I will be in your arms
