

Tina Russo, I Miss You

You are my life.
I want to wake up every day.
Now I know that you are everything to me.
You will give me your pictures every day.
I dream, dream and wait for you.

If you are for me, I am for you.
I miss you every day.
I'm dying today without you.
I want to be loved.

I want it to be like this all the time.
Nobody knows about our love.
I am here, you are there.
I want to be yours forever.
You must promise me that love will connect us forever.

If you are for me, I am for you.
I miss you every day.
I'm dying today without you.
I want to be loved.

You are important to me.
And who am I to you?
You are in my heart.
Nobody will change that.
I love you!

If you are for me, I am for you.
I miss you every day.
I'm dying today without you.
I want to be loved.

I want to know your secrets.
I want to live for you.
Love is so beautiful.
I will give you my life.
I miss you, Aaditya!
