

# Tinie Tempah, Whoppa (feat. Sofia Reyes and Farina)

Turn the tempo  
Swag on infinity  
Badder than nicotine  
Saw you in London at Liberty  
I had a row with security

I wanna know what you think of me  
Change your location to Italy  
I want the love  
Not the sympathy  
I am on a wave  
I could care less if your boy isn't feelin' me

As long as you feel me  
El beso de la rosa  
Order three or four mimosas  
So you tongue kissin' the promoter  
All white Tesla Roadster

Sex sell, pree my poster  
You were nice to everyody else, girl  
Wjy you give me cold shoulder?  
Whoppa  
Whoppa  
Whoppa  
Whoppa  
Skin look like champagne and mocha  
Someone call a chopper
