

Tish Hinojosa, Carlos Dominguez

Carlos Dominguez, an unhappy man
Always running away
What are you searching for Carlos Dominguez?
Why do you cry every day?

I'm searching for something
That I cannot find
I look for a way
I might find peace of mind

I run cause I'm lost
I'm afraid so I cry
And you ask why I search
There are many reasons why

Carlos Dominguez, se escuchaba llorar
Todo lo miran pasar
Que es lo que buscas Carlos Dominguez
Que to no puedas encontrar

Yo busca en el mundo
Lo que no es falsedad
Y solo me encuentro
Ya que mada es verdad

Los hombres se matan
Y siembran rencor
Y si buscas amor
Solo encuentra en el mundo el dolor

Carlos Dominguez, an unhappy man
Always running away
What are you searching for Carlos Dominguez?
Why do you cry every day?

I searched for a truth
All I found was a lie
I looked for eternity
But I find all men die

I'm looking for answers
But I find only fate
I'm searching for love
All I find in this world is hate

Carlos Dominguez, an unhappy man
Always running away
What are you searching for Carlos Dominguez?
Why do you cry every day?
