

# Titanic, Sorry For Love

Forgive me for the things that I never said to you,  
forgive me for not knowing the right words to say to prove,  
that I will always be devoted to you and me,  
and if you cant feel that in my love,  
then Im sorry for not giving you enough.

**\*Chorus\***

But Im not sorry for my love, Im not sorry for my touch.  
The way I made your hands tremble and my heart rush,  
I would do it all again, wouldnt take back a thing,  
cause with you Ive lived a thousand lives in one.  
And I could never be, I could be sorry for love.  
Maybe there were times that I let you down,  
looking back on all those moments I know that I should have found  
love is to be for you and now I will promise to,  
and if you dont see that in my eyes,  
then I will be sorry for the rest of my life.

**\*Chorus\***

But Im not sorry for my love, Im not sorry for my touch.  
The way I made you hands tremble and my heart rush,  
I would do it all again, wouldnt take back a thing,  
cause with you Ive lived a thousand lives in one.  
And I could never be, I could never be sorry for love.  
And we all make mistakes no matter how hard we try,  
but hearts can only break when sorry comes around,  
when sorry comes around.  
Im not sorry. Im not sorry for my love, sorry for love,  
sorry for my touch. I would do it all again, wouldnt take back a thing,  
cause with you Ive lived a thousand lives in one,  
and I could never be, I could never be sorry for love.
