

Tiziano Ferro, Breathe Gentle

Oh, oh
I want to give you all of me - the underneath
Want you to show me imperfection is actually love
I thought, cursed - I was cursed -
destined to be lonely
A circle in a world of squares
where nobody knows me
So with every footstep I must
follow the kissing moments
I thought were impossible
Breathe gentle, Be gentle
Don't leave me behind
when love goes faster
Breathe gentle, Be gentle
Never let me go when love goes faster
I will be gentle
See, photographs have only two dimensions
But love defies all logic in a picture
Above all that is physical, I'm falling
Falling uncontrollably - it terrifies me
So if my compass, it fails me
And I feel I'm walking blind
Don't say goodbye
Don't let me hide
Oh please don't let me spiral
Tortured by you, oh, sweet torture!
I am a pirate -- love my fortune
The walls have fallen now
The key is yours to turn - I'm breathing
Breathe gentle, Be gentle...
Every time I run somehow love runs faster
Without your loneliness is everlasting
I still feel you
But I hear you - loudly
Screaming - "please wait for me"
Cause I don't want to hurt you
And I don't want to lose this love this time.
Se cerco lo vedo
l'amore va veloce e tu stai indietro
Se cerchi mi vedi Il bene pi segreto
sfugge all'uomo che non guarda avanti mai
