

# Tiziano Ferro, Breathe Gentle

Oh, oh  
I want to give you all of me - the underneath  
Want you to show me imperfection is actually love  
I thought, cursed - I was cursed -  
destined to be lonely  
A circle in a world of squares  
where nobody knows me  
So with every footstep I must  
follow the kissing moments  
I thought were impossible  
Breathe gentle, Be gentle  
Don't leave me behind  
when love goes faster  
Breathe gentle, Be gentle  
Never let me go when love goes faster  
I will be gentle  
See, photographs have only two dimensions  
But love defies all logic in a picture  
Above all that is physical, I'm falling  
Falling uncontrollably - it terrifies me  
So if my compass, it fails me  
And I feel I'm walking blind  
Don't say goodbye  
Don't let me hide  
Oh please don't let me spiral  
Tortured by you, oh, sweet torture!  
I am a pirate -- love my fortune  
The walls have fallen now  
The key is yours to turn - I'm breathing  
Breathe gentle, Be gentle...  
Every time I run somehow love runs faster  
Without your loneliness is everlasting  
I still feel you  
But I hear you - loudly  
Screaming - "please wait for me"  
Cause I don't want to hurt you  
And I don't want to lose this love this time.  
Se cerco lo vedo  
l'amore va veloce e tu stai indietro  
Se cerchi mi vedi Il bene pi segreto  
sfugge all'uomo che non guarda avanti mai
