Today Is The Day, Dot Matrix

I'm in you, So hard, My teeth are numb, Till I turn, Blue!

Virgin lover,
Do what I want,
Please bend over,
Daddy's girl,
Say you mean it,
Your words, no good,
I could kill you,
Play with my cock.

The smile, I cry, I wear for you, I can't fly.

Dead heart inside, My dreams have died, I hope I score.

No end in sight, To my f**ked up life, I can't go on.

Diablo...<i>(x4)

I am so lost, I can't be found, I need a friend.

This is my life, I can't be changed. You can't win.
