

# Tokio Hotel, BERLIN (FEAT. VAVES)

Wo bist du  
Wo bist du  
Wo bist du  
Berlin

I am not sure how to Begin  
It's been a while remember when  
I was 12 and had this dream  
They said that i wasn't good enough

A little boy now i am a mess  
You're seen it all the worst , the best  
I cherish every single night  
Put on repeat and we will do it again

Berlin /3x  
Es ist schon dich s ozu sehen  
Ech war lang nihct mehr zu Haus  
Ch bin noch ich  
Seh nur n'bisschen anders aus\*
