

Tokio Hotel, Break Away

I've got other plans today
Don't need permission anyway
Here I'm standing after all
With my back against the wall
Against the wall

I put all the blame on you
'Bout me and all that I went through
You don't give me any choice
Now I'm gonna make some noise
Make some noise

I feel so claustrophobic here
Watch out
Now you better disappear
You can't make me stay
I'll break away
Break away

I'm warning you, don't follow me
I won't miss you, can't you see
What you wanted, it didn't work
Go on diggin' in the dirt
In the dirt

Cold sweat on your brow
Now you can hear me shout
Your world is about to destruct
Now I'm gonna pull the plug
Pull the plug

I feel so claustrophobic here
Watch out
Now you better disappear
You can't make me stay
I'll break away
Break away

No more counting all your lies
No more waiting for your goodbye
It's too late
Much too late

You are like a bitter pill
That I had to take against my will

I feel so claustrophobic here
Watch out
Now you better disappear
You can't make me stay
I'll break away
Break away

I feel so claustrophobic here
Watch out
Now you better disappear
You can't make me stay
I'll break away
Break away
Break away
