

Tokio Hotel, Forgotten Children

Just a normal day
Streets turn into graves
Traces have been removed
The search was disapproved
So cold the night
The weak ones lose the fight
So many of them out there
No one seems to care

Lost and so alone
Born but never known
Left all on their own
Forgotten children
You'll never hear a name
They carry all the blame
Too young to break the chains
Forgotten children

They see
They feel
Believe
Just like we do
They're laughing
And crying
Wanna live here
Like me and you

Eyes without light
Tired of goodbyes
Never felt embraced
And frightened of every face
Life in disguise
Hope forever dies

Lost and so alone
Born but never known
Left all on their own
Forgotten children
You'll never hear a name
They carry all the blame
Too young to break the chains
Forgotten children

They see
They feel
Believe
Just like we do
They're laughing
And crying
Wanna live here
Like me and you

It shouldn't really be that way
It shouldn't really be that way

We see
We feel
Believe
Just like you
We're laughing
And crying
Wanna live here
We see
We feel

Believe
Just like you
We're laughing
And crying
wanna live here
Just like you
