

# Tokio Hotel, Something New

Midnight in my city  
All these lights they call my name  
My world isn't pretty  
I got the best of you

Pick me up /4x  
Help me back on my feet  
Pick me up /4x  
It feels like I can see

Something new  
Do you feel it too?  
I;m looking for Something new  
I don't know what I'm looking for  
But I'm looking  
For something /3x

I felt everything  
I'm ever gonna feel  
Don't know where I 've been  
All these streets look wrong  
Don't know where I belong

Pick me up /4x  
Help me back on my feet  
Pick me up /4x  
It feels like I can see

Something new  
Do you feel it too?  
I;m looking for Something new  
I don't know what I'm looking for  
But I'm looking  
For something /3x

Do you feel it too?  
I;m looking for Something new
