

# TOLA, First Love

Missing my first love  
It's a game of firsts  
You showed me Woody Allen  
You showed me Jazz  
I don't wanna go back  
To all the pain you showed me as well  
I wouldn't mind going back  
To the good things we shared

Driving up Mulholland  
Nina Simone blasting in your car  
House parties  
But not much fun...  
I wanna go back  
To the long summer nights  
Dazed, swooning  
In your arms
