

# Tola Janowska, Down with his love

wow, you've got so many boyfriends  
well, go ask them, if I loved them  
feel the empty heart  
Is my daily bread  
but instead I am going down whit his mind  
and I don't care  
what a greed I need to share

down /3x  
whit his love  
listen to this song if it exist or not  
down /3x  
whit his love  
listen to this song if it exist or not

one could roll me cigarerts all day  
even if was ypunger  
I needed to pay in some way  
other really liked to drink beer  
black basists form outcity stole my soul  
but cheated on my and pleaded on me

hey herry, I am calling again  
ten more whiskey go ya drinkin' in the heaven  
and I hope /2x  
dine, love, Tola
