

Tom Eeckhout, Why

Why

Chorus:

Please,
Please tell me why,
Please tell me why are you always mad
I,
I don't know why,
I don't know what I am doing wrong

Strophe1:

If I say a word to you,
Your eyes are looking evil,
I can't take it anymore
Why are you mad?
Is it something I said or done
You know you are my number one
So say what I am doing wrong

Chorus

Strophe2:

Sometimes are you nice to me
But when I count till three
1, 2, 3
Your kindness is gone
Why are you doing this?
You are the greatest girl there is
So tell me why you are mad

Chorus: 3x
