

# Tom Gregory, What Love Is

I've been wait, witing foe days  
I would wait a thousand more  
Just for one more secondo r two  
To explain the way that i feel

If we get it right  
This could be paradise  
Just you and me /2x  
It ain't no sacrifice with you by my side  
Just you and me /2x

I Am gonna say it right to your face  
I wanna know , I wanna know what love is  
wanna know , I wanna know what love is  
Another minute don;t wanna waste  
I wanna know , I wanna know what love is  
wanna know , I wanna know what love is  
only thinking about me and you  
got my feelings going through the roof  
only thinking about me and you  
I Am gonna say it right to your face  
I wanna know , I wanna know what love is  
wanna know , I wanna know what love is

i would run , run to the moon  
i would bring a star back for you  
wanna know, know what that if it was you  
would you do the same for me too?

If we get it right  
This could be paradise  
Just you and me /2x  
It ain't no sacrifice with you by my side  
Just you and me /2x

I Am gonna say it right to your face  
I wanna know , I wanna know what love is  
wanna know , I wanna know what love is  
Another minute don;t wanna waste  
I wanna know , I wanna know what love is  
wanna know , I wanna know what love is  
only thinking about me and you  
got my feelings going through the roof  
only thinking about me and you  
I Am gonna say it right to your face  
I wanna know , I wanna know what love is  
wanna know , I wanna know what love is
