

Tom Gregory, What Love Is

I've been wait, witing foe days
I would wait a thousand more
Just for one more secondo r two
To explain the way that i feel

If we get it right
This could be paradise
Just you and me /2x
It ain't no sacrifice with you by my side
Just you and me /2x

I Am gonna say it right to your face
I wanna know , I wanna know what love is
wanna know , I wanna know what love is
Another minute don;t wanna waste
I wanna know , I wanna know what love is
wanna know , I wanna know what love is
only thinking about me and you
got my feelings going through the roof
only thinking about me and you
I Am gonna say it right to your face
I wanna know , I wanna know what love is
wanna know , I wanna know what love is

i would run , run to the moon
i would bring a star back for you
wanna know, know what that if it was you
would you do the same for me too?

If we get it right
This could be paradise
Just you and me /2x
It ain't no sacrifice with you by my side
Just you and me /2x

I Am gonna say it right to your face
I wanna know , I wanna know what love is
wanna know , I wanna know what love is
Another minute don;t wanna waste
I wanna know , I wanna know what love is
wanna know , I wanna know what love is
only thinking about me and you
got my feelings going through the roof
only thinking about me and you
I Am gonna say it right to your face
I wanna know , I wanna know what love is
wanna know , I wanna know what love is
