

Tom Odell, monster v.2

I woke up in the night
I found an empty cage
How you got out
I don't know
I guess you clawed your way
You waited there in the shadows
You make me feel afraid
I wouldn't run before
But nah nah
Not today

Breathe
I close my eyes and count to 3
You're only there if i believe

And you're just a monster
Just a monster and i am not scared
You're just a monster
Just a monster
you're just a monster
Just a monster and i am not scared

Come on and cut me then
If you relly must
Don't you realise that you and I
We bleed the same blood
You've got so much power
And it makes you feel tough
But can't you see that all you need
Is just to be loved

Breathe
I close my eyes and count to 3
1 2 3

And you're just a monster
Just a monster and i am not scared
You're just a monster
Just a monster
you're just a monster
and i am not scared

You're only on my mind
You're only on my mind
Tomorrow i'll be fine
Cause you're only in my mind
You're only in my mind
Gonna see you one more time
Nah nah
Only in my mind
Tomorrow i'll be fine

And you're just a monster
Just a monster
You're just a monster
and i am not scared
You're just a monster
Just a monster
you're just a monster
and i am not scared
