

Tom Petty And The Heartbreakers, For Real

oh brother look what we've becomed
oh brother how could we be so dump?
set ourselves like a domino

I didn't do it for the magazine
I didn't do it for the radio
I didn't do it for no CEO

but I did it for real
but I've done it for free
I did it for me
coz I was all true
but I did it for real
and I did it for you

I've done it for my sanity
maybe done it for my vended
could be ...

but I did it for real
but I've done it for free
yeah, I did it for me
coz I was all true
but I did it for real
and I did it for you

oh brother look what we've becomed
oh brother i'l lbe overrun
i been did it for make me feel

but I did it for real
but I've done it for free
yeah, I did it for me
coz I was all true
but I did it for real
and I did it for you
