

Tom Petty And The Heartbreakers, It's Rainin' Ag

Well it's rainin' again, rainin' again
Roll up your window honey it's rainin' again

It's dark in the sky, dark in the sky
Make me feel funny honey it's dark in the sky

Rainin' again

Well it's rainin' again, rainin' again
Roll up your window baby it's rainin' again

It's dark in the sky, dark in the sky
Make me feel funny honey it's dark in the sky
