

# Tommy James, I Love Christmas

I love Christmas time, mistletoe, and cherry wine;  
Songs of Christmas cheer when Christmas time is here.  
Love to hear the whole world singing.  
All the jingle bells are ringing.  
Joy to the world! I Love Christmas!

When I was three, my momma took me to see Santa Claus.  
Up to the second floor of the department store and there he was.  
I asked him, "Could ya' please bring a teddy bear?"  
He told me not to worry: he'd be there.  
But does Santa keep his promises? Yes he does. Yes he does!  
I love Christmas time, mistletoe, and cherry wine;  
Songs of Christmas cheer when Christmas time is here.  
Love to hear the whole world singing.  
All the jingle bells are ringing.  
Joy to the world! I Love Christmas!

So now I'm watching my own kids under the Christmas tree.  
I hear em playing and laughing, just like it was me.  
And I thank the good Lord everyday that we live here in the U.S.A.  
And from my heart all I can say is, "Happy Birthday, Jesus!"  
I love Christmas time, mistletoe, and cherry wine;  
Songs of Christmas cheer when Christmas time is here.  
Love to hear the whole world singing.  
All the jingle bells are ringing.  
Joy to the world! I Love Christmas!
