

Toni Braxton, Me And My Boyfriend

Hook

All I need in this life of sin is me and my boyfriend
Ride with me 'till the very end, just me and my boyfriend
All I need in this life of sin, is me and my boyfriend
Down to ride 'till the very end, just me and my boyfriend

1st verse

Ain't nothing in this world that I won't do when it comes to being around you
You make me whole boy, did you know that I would die if I had to live without you
Always there to wipe my tears, thick and thin, through all these years
I'm in it for life with you, my love is true, you're all I need

Hook

All I need in this life of sin, is me and my boyfriend
Ride with me 'till the very end, just me and my boyfriend
All I need in this life of sin, is me and my boyfriend
Down to ride 'till the very end, just me and my boyfriend

2nd verse

Even if the world would end tonight I know that I would have you by my side
So many days, boy, that you took my pain away 'cuz only you can heal my heartache
When we didn't have enough, you made sure that I was taken care of
I'll lay down my life for you, I ride with you, you're all I need

Break

And he's got (all I need)
My love (please believe)
And he's mine (you and me)
Ooh ooh.. (can't you see)
And he's got (all I need)
My mind (crazy)
Oh baby (can't you see)
Ooh ooh
(repeat)

Hook

Bridge

He makes me feel so good inside
He keeps me satisfied
He ain't gon' make me cry
Gon' be there through thick and thin
Even until the end
He is my everything
We be on some Bonnie and Clyde
And we gon' always ride
Be right by his side
Baby, take good care of me
He's always there for me
'Cuz he's really all I need
