

# Toni Braxton, Why Should I Care?

Back in the day  
When I was younger  
I wasn't afraid  
Of giving my heart to you  
Now and again  
I get sentimental  
But I know it's just a phase I'm going through  
And every time I start to slip  
I just remind myself  
I need only think of it  
I went through so much hell  
You say ya wanna get things back  
The way they used to be  
Can you give me one good reason  
Why should I darlin'  
Why should I care  
Why should I care for you  
Why should I care  
Why should I care for you  
Why should I care  
Why should I care for you  
Why should I care  
Why should I care
