

Toni Childs, Dreamer

Can't stop, stop the hurting
Can't stop, stop the breathing
Can't stop, stop these tears for you my dear
Don't know why it's so bad
This life been so bad
I'm glad I've finally found you here
You're the voice of the dream I had
You're the voice and I'm so glad
You're the weight of the dream of a life come true, there's no denying
I sometimes run and chase the moon, I just can
I sometimes run and chase the views, and dream of you

My heart locked in absence
My heart locked and fearful
I see no one can be here today
My thoughts locked in thinking
My thoughts not believing
I see no one can be here with me
You're the light of the dream I had
You're the voice and I'm so glad
You're the weight of the dream of a life come true, there's no denying
I sometimes run and chase the moon, and think of you
I sometimes run and chase the views, but not of you
I sometimes run and chase the moon, and I'm just dreaming
I sometimes run and chase the views, but I'm still dreaming
