

Tony Bennett, The Way You Look Tonight

THERE'S A NEW SOUND

Tony Burrello

(Dr. Demento's 25th anniversary tape)

(grx nk grx nk grx nk brn brn brn rm rm)(as close as I can get it)

There's a new sound

The newest sound around

The strangest sound that you have ever heard

Not like a wild boar or a jungle lion's roar (ROAR!)

It isn't like the cry of any bird (Ah-ooga Ah-ooga)

But here's a new sound

It's deep down in the ground

And everyone who listens to it squirms

Because this new sound

So deep down in the ground

Is the sound that's made by worms

(grx nk grx nk brn brn brn rm rm rm)

REPEAT SONG

REPEAT SONG AGAIN

REPEAT SONG STILL AGAIN and

REPEAT SONG YET AGAIN
