Tony Thompson, Goodbye Eyes

Ohhhh
Oooohhh
Ohhhh
[Verse 1:]
I had a problem and I wasn't aware
I neglected love that we once shared, nooo
So I tried real hard to be prepared
'Cause I knew you felt as though I did not care
So I'll go run...
[Chorus:]
So I'll go run and hide (so I don't)
So I don't see those goodbye eyes
Even though I brought it on myself, I just don't wanna see the pain
I don't feel much to cry
So don't you show those goodbye eyes
The words end all the same
[Verse 2:]
Oh hey
Now I close the door hmmm, to be in solitare
Get myself together to show you how much I care
So if you don't accept it
Don't worry you're not to blame
Cause I showed her love before, now I feel so ashamed
So I'll go run...
[Chorus:]
So I'll go run and hide
So I don't see those goodbye eyes
Even though I brought it on myself, I just don't wanna see the pain
I don't feel much to cry (no I don't)
So don't you show those goodbye eyes
The words end all the same
Tell me a chance is in the plans (oh, tell me baby)
I promise I'll be a better man (a man)
I played myself once before but never again
Don't think I would be the fool to neglect you once again
[Chorus: x2]
So I'll go run and hide
So I don't see those goodbye eyes
Even though I brought it on myself, I just don't wanna see the pain
I don't feel much to cry (no I don't)
So don't you show those goodbye eyes
The words end all the same
I get on my hands and knees, I just don't wanna see those goodbye eyes
So I'll go run and hide.
So I'll go run and hide.
I don't wanna see those goodbye eyes...
Don't show me
Those goodbye eyes
Oh yeah
