

# Tonya Mitchell, I Don't Wanna Fall In Love

(VERSE 1)

who needs to feel that way  
who needs those words to say  
who wants to give their hearts  
to watch it fade away.  
cuz ive made up my mind  
i didnt wanna know, why should i find a love  
that isnt here to stay, i wasnt waiting until u came along,  
and now i need you to tell me where my heart belongs but

(Chorus)

i dont wanna fall in love, till i fall in love with you  
and you showed me what my heart already knew.  
i dont wanna fall in love, till i know the love is true  
cuz i need (cuz i need) you to feel the way i do,  
when i give my heart to you

(VERSE 2)

Ive seen the tears they cried, when its time for goodbye  
i didnt wanna be the one whos asking why  
i didnt think that i would ever feel so strong,  
but now i know that i was wrong

(Chorus)

i dont wanna fall in love, till i fall in love with you  
and you showed me what my heart already knew.  
i dont wanna fall in love, till i know the love is true  
cuz i need (cuz i need) you to feel the way i do,  
when i give my heart to you

Now i believe it's worth the chance  
to find a love that lasts  
for all my life  
give me a sign so i will always know this love is right.  
this love is right..

But i don't wanna fall in love (don't wanna fall in love)  
till i fall in love with you  
and you showed me wut my heart already knew (What my heart already knew)  
I don't wanna fall in love (don't wanna fall in love, no)  
till i know the love is true  
cuz i need you to feel the way i do  
when i give my heart to you

But i don't wanna fall in love  
till i fall in love wiff you  
and you showed me what my heart already knew  
i don't wanna fall in love (don't wanna fall in love)  
till i know the love is true  
cuz i need to you to feel the way i do  
when i give my heart to you...  
when i give my heart to you...
