

Tori Amos, Cloud On My Tongue

Someone's knockin on my kitchen door
Leave the wood outside
What all the girls here are freezing cold
Leave me with your Borneo
I don't need much to keep me warm

Don't stop now what you're doin
What you're goin my ugly one
Bring them all here
Hard to hid a hundred girls in your hair
It won't be fair if I hate her
If I ate her you can go now

You're already in there
I'll be wearing your tatoo
You're already in there

Got a cloud sleeping on my tongue
He goes then it goes and kiss the violets
As they're waking up

Leave me with your Borneo
Leave me the way I was before

You're already in there
I'll be wearing your tatoo
I'm already in
Circles and circles and circles again
The girl's in

Someone's knockin on my kitchen door
Leave the wood outside
What all the girls here are freezing cold

You can go now

You're already in there
I'll be wearing you tatoo
You're already in there
Thought I was over the bridge now
I'm already in
Circles and circles and circles again
The girl's in
Circles and circles
Got to stop spinning
Circles and circles and circles again
Thought I was over the bridge now
