Tori Amos, Little Earthquakes

Yello birk flying Get shot in the wing good year for hunter And Christmas parties And I hate and I hate And I hate and I hate Elevator music The way we fight The way I'm left here silent

Oh these little earthquakes Here we go again These little earthquakes Doesn't take much to rip us into pieces

We danced in graveyards With vampire till dawn We laughed in the faces of kings Never afraid to burn And I hate and I hate And I hate and i hate Disintegration Watching us wither Black winged roses that safely changed their color

Oh these little earthquakes Here we go again These little earthquakes Doesn't take much to rip us into pieces

I can't reach you I can't reach you Give me life Give me pain Give me myself again

Oh these little earthquakes Here we go again These little earthquakes Doesn't take much to rip us into pieces
