

# Tori Amos, Posse Bonus

This is your posse bonus, this is your extra  
This is your posse bonus, because I like you

This is your posse bonus this is your extra  
This is your posse bonus 'cause I like you

Because I like you, 'cause I like you, Porcupine  
Burrow your way to freedom

This is your posse bonus, this is your extra  
This is your posse bonus 'cause I like you

Eat your greens, feed your head  
Mind the doubts they harvest them  
Broccoli, feed your head  
Their ideas are fried in fat

This is your posse bonus, this is your extra  
This is your posse bonus 'cause I like you

Because I like you, 'cause I like you, Porcupine  
Burrow your way to freedom

You say you're not bothered to lie beneath pigs  
Then go on Laura, here's a flower for your grave

This is your posse bonus, this is your extra  
This is your posse bonus 'cause I like you  
I like you  
I like you
