

Tori Amos, Space Dog

Way to go Mr. Microphone
Show us all what you don't know
Centuries secret societies
He's our commander still
Space Dog

So sure we were on something
Your feet are finally on the ground
He said so sure
We were on something
Your feet are just on the ground girl

Rain and snow our engines have been receiving
Your eager call there's colonel Dirtyfishydishcloth
He'll distract her good don't worry so

And to the one you thought was on your side
She can't understand she truly believes the lie

Lemon Pie
He's coming through
Our commander still
Space Dog
Lines secure
Space Dog

Deck the halls I'm young again
I'm you again
Racing turtles
The grapefruit is winning
Seems I keep getting this story twisted
So where's Neil when you need him
Deck the halls it's you again
It's you again
Somewhere someone must know the ending
Is she still pissing in the river
Now heard she'd gone
Moved into a trailer park

So sure we were on something
Your feet are finally on the ground
He said so sure
We were on something
Your feet are just on the ground girl

So sure we were on something
Your feet are finally on the ground
He said so sure
We were on something
Your feet are just on the ground girl
