Tove Lo, Moments

I grew up with a lot of green Nice things round me I was safe, I was fine

I grew up with a lot of dreams Plans who to be None of them none were mine

I love freaks, I don't care if you're a wild one I love freaks, I don't care if you're a wild one And me

I, I'm not the prettiest you've ever seen
But I have my moments, I have my moments
Not the flawless one, I've never been
But I have my moments, I have my moments
I can get a little drunk, I get into all the don'ts
But on good days I am charming as fuck
I can get a little drunk, I get into all the don'ts
But on good days I am charming as fuck

I can't be the perfect one But I'll make you come And I'm locked in your mind

You can say I don't belong That I'm so wrong I can tell, tell you lie

I love freaks, I don't care if you're a wild one I love freaks, I don't care if you're a wild one And

I, I'm not the prettiest you've ever seen
But I have my moments, I have my moments
Not the flawless one, I've never been
But I have my moments, I have my moments
I can get a little drunk, I get into all the don'ts
But on good days I am charming as fuck
I can get a little drunk, I get into all the don'ts
But on good days I am charming as fuck

Rough around the edges, memories and baggage You know me Never play the safe card, when I go I go hard Now you know

I, I'm not the prettiest you've ever seen
But I have my moments, I have my moments
Not the flawless one, I've never been
But I have my moments, I have my moments
I can get a little drunk, I get into all the don'ts
But on good days I am charming as fuck
I can get a little drunk, I get into all the don'ts
But on good days I am charming as fuck
