Tracy Chapman, Dreaming On A World

I know I may be wishing On a world That may never be But I'll keep on wishing

No matter how hopeless Or foolish It may seem I'll keep on wishing

I'll toss my coins in the fountain Look for clovers in grassy lawns Search for shooting stars in the night Cross my fingers and dream on

I know I may be dreaming Of a world Far from present day reality But I'll keep on dreaming

No matter how unrealistic Or naive It may seem Always keep dreaming

And toss your coins in the fountain Look for clovers in grassy lawns Search for shooting stars in the night Cross your fingers and dream on

We must always be thinking Of a world As a place of infinite possibilities And always keep thinking

No matter how hopeless Or foolish It may seem Always keep thinking

And toss our coins in the fountain Look for clovers in grassy lawns Search for shooting stars in the night Cross our fingers and dream on

I'll keep on wishing
We must always keep dreaming
Of a world
With equality and justice
Thinking
There could be a world
Without poverty and sickness
Wishing
Of a world
Without hunger and homelessness

Dreaming
Of a world
Where all people live in peace
Dreaming
Of a world
Dreaming
On a world
