

# Train, Give It All

When I think about my problems  
And I truly understand  
In a world like this  
Being a white man  
I'm ashamed that I complain  
I'm not sure that I know pain  
But I know this

I'd give it all for one more night with you  
I'd give it all for one more night with you  
I see faces everyday  
That look at me in a way  
As if to say  
If you only knew  
You wouldn't last a day in my shoes  
And I suppose that's true  
I have a lot  
Maybe too much

But  
I'd give it all for one more night with you  
I'd give it all for one more night with you  
Go on /6x  
Be Free

I work hard at what I do  
It's the work that gets me through  
But I'm starting to forget  
And what I want is to remember  
What I want is to remember  
What I want do you remember me?
