

# Train, I'm Not Waiting In Line

It's clear to see that you're down to earth  
With a hold on what your worth  
Like no other  
And I'd like to thank your mother for that

I bet ya there's a line outside your door  
And it's a line I know for sure  
That you dont want from me  
Like a hole in your head

I want to be just you just me  
No tricks, no show  
But I got to let you know

I'm not waiting in line  
I'm not changing my mind for you  
I'm not wasting my time  
I'm not waiting in line for you

Now I think if we got something started  
We would both fall in whole hearted  
I'm not like no other  
And you can thank my mother for that

I'm sure there is a line in front of me  
And it's a line I'm sure to need from you  
Like a whole in my head

I want to be just you just me

No tricks, no show  
But I got to let you know

I'm not waiting in line  
I'm not changing my mind for you  
I'm not wasting my time  
I'm not waiting in line for you

I've been saving myself for you  
But I'm not wasting my time for no one  
Oh But if you want me to be  
Baby I'll be rough enough  
Baby I'll be tough enough  
Oh you know I'm rich enough  
But I wont be nobody's fool

I'm not waiting in line  
And I'm not changing my mind for you  
I'm not wasting my time  
I'm not waiting in line for you

I'm not waiting in line  
And I'm not changing my mind for you  
I'm not wasting my time  
I'm not waiting in line

Unless you want me to
