

# Trapt, When All Is Said And Done

You have a chance to really shine now  
Well patience never was, one of your true virtues  
And stop trying to control everything,  
and fuck what they say, what do you have to prove?  
So why am I waiting, this time that I'm wasting,  
if that's what you mean So why am I waiting, yeah,  
this time that I'm wasting,  
if that's what you mean  
How will this be, when all is said and done,  
will I know where I'm from, remember me  
Where will I be, I guess I'm on the run,  
and time is catching up behind me,  
behind me yeah, behind me yeah,  
behind me  
I'm scared to be the only one who sees  
The hourglass run dry, 'cause too much time went by  
And why do I try to prove that I will be,  
ready for everything thrown at me  
So why am I waiting, this time that I'm wasting,  
if that's what you mean So why am I waiting, yeah,  
this time that I'm wasting, if that's what you mean  
How will this be, when all is said and done,  
will I know where I'm from, remember me  
Where will I be, I guess I'm on the run,  
and time is catching up behind me, yeah  
How will this be, when all is said and done,  
will I know where I'm from,  
remember me, yeah  
Where will I be,  
I guess I'm on the run, and time is catching up behind me  
These thoughts trickle down, imaginary lines cut  
through the ground  
These thoughts trickle down,  
imaginary lines cut through the ground  
So why am I waiting, this time that I'm wasting,  
if that's what you mean  
So why am I waiting, yeah,  
this time that I'm wasting, if that's what you mean  
How will this be, when all is said and done, will  
I know where I'm from, remember me Where will I

up behind me, yeah How will this be, when all is
