Travis Tritt, The Whiskey Ain't Workin'

There was a time, I could drink my cares away And drown out all of the heartaches That hurt me night and day When the thought of you came crashing thruough I'd have one more But now the whiskey ain't workin' anymore I need one good honky-tonk angel To turn my life around That's reason enough for me to lay This ol' bottle down A woman warm and willin', that's what I'm lookin' for 'Cause the whiskey ain't workin' anymore They knew my name at every bar in town And they knew all the reasons why I comin' 'round 'Cause in my mind, peace I'd find when they'd start to pour But now the whiskey ain't workin' anymore Repeat Chorus Lord, the whiskey ain't workin' anymore That's for sure.....
