

# Treble Charger, Left Feeling Odd

There he lies all alone  
Awkwardly he's  
Hiding, not all is known  
Clever chance to see  
Is it wrong to stare?  
Is it fine to please him?  
Is he not aware  
it's in spite of me?

With practice it comes my way  
I don't know anything to say  
Left feeling odd today

Kind of like laying low  
It offers me a  
Newly won sense of no  
Not surprisingly  
Leave it all to spare  
Single out a reason  
He'll deny it's there  
And that's just fine with me
