

Tree63, Anthem

I love You
I love You Lord
There's nothing above You Lord
I am not my own - I am not alone
I am waiting on You Lord
And this is my desire: to go deeper into You

Father - Father me
Jesus You're all I see
I am not my own
And I am not alone
I am waiting on You Lord
And this is my desire: to go deeper into You

I am always in Your heart
I am always in Your heart
