

Trembling Blue Stars, Say Goodbye To The Sea

Let her be your harbour
Say goodbye to the sea
Instead let love drown you
It gets old being free
It's time to fall out of love
With falling in love
Time to stop this heart from wandering off
You will never find
As much as you will lose
Time to keep in mind
You can always choose
Time for a talking to
You've no need of a stranger
The uncharted
The new
Open your eyes
Your dreams have come true
She took such a chance
Here's where you come through
Show her she was right for believing in you
You will never find
As much as you will lose
Time to keep in mind
You can always choose
Time for a talking to
Don't make the same mistake again
You will never find
As much as you will lose
Time to keep in mind
You can always choose
