

# Trey Songz, We Should Be

[Intro]

Baby, you're lookin' so lovely,  
I'm thinkin' bout you lovin' me.  
Kissin me, touchin' me.  
Lookin' so lovely,  
I'm thinkin' bout you lovin' me.  
Kissin me, touchin' me.

[Verse]

I promised you  
I'd take you out.  
Enjoy your night,  
out on the town.  
Light dinner and  
some champagne.  
You deserve the best  
of the finer thangs.  
Girl tonight you couldn't look  
any better.  
Amazingly irresistible.  
I can see it in my mind,  
baby you and I,  
later on tonight  
makin' love.

[Chorus]

DJ's playin' the last song.  
We've been dancing all night long.  
Wanna hold you in my arms.  
Girl it's time that we get gone.  
Can't control it any longer.  
Cuz the feeling's just too strong.  
Baby you know  
(it's such a beautiful thing,  
way that we be doin' our thang,  
when we be doin' it)  
We should be makin' love.  
Oh, oh, oh, oh, oh, oh  
Love  
Oh, oh, oh, oh, oh, oh

[Verse]

Most gorgeous lady in the room,  
I know you can feel,  
all eyes are on you,  
I think they all  
are a little envious  
of this chemistry  
that we share between us.  
So, I don't wanna come off disrespectful.  
But I can't keep my hands off of you.  
Girl I'm all over your love,  
and if I can lay it down,  
then right here on the ground,  
I'd start makin' love to you.

[Chorus]

DJ's playin' the last song.  
We've been dancing all night long.  
Wanna hold you in my arms.  
Girl it's time that we get gone.  
I can't control it any longer.  
Cuz the feeling's just too strong.  
Baby you know  
(it's such a beautiful thing,  
way that we be doin' our thang,  
when we be doin' it)  
We should be makin' love.

[Bridge]

Maybe in the car, babe.  
Or maybe we could stop some place.  
Cuz I don't wanna wait, hey.  
Until we get all the way home.  
No, no.  
You got me hard  
grippin' in the third lane.  
And girl it's only for the sake of your love.  
(Your love)  
And all I see is us  
makin love 'til the sun comes up.  
I can't wait, [x3]  
It's such a beautiful thang,  
way we be doin our thang,  
when we be doin it.  
Doin it, doin it.

[Chorus]

DJ's playin the last song.  
We've been dancing all night long.  
Wanna hold you in my arms.  
Girl it's time that we get gone.  
Trey can't control it any longer.  
Cuz the feeling's way too strong.  
Baby you know  
(it's such a beautiful thing,  
way that we be doin' our thang,  
when we be doin it)  
We should be makin' love.  
Oh, oh, oh, oh, oh, oh  
Love  
Oh, oh, oh, oh, oh, oh  
[Pre chorus until fade]
