

Trick or Treat, Gemini: Another Dimension

Once upon a time I looked inside
and I saw a black shadow that fight against me

I'm not afraid but I feel the pain,
I'm living with demons inside

I will prevail for the light of this reign
I will fight for her precious soul
TIME AFTER TIME
time will not change all what I used to be
burning heart for my goddess tears
TIME AFTER TIME

(Yannis)
Waiting inside of you, I'll reveal myself
you can't push me down for a long time again
you belong to me we weave our destiny

Lights out again time for my reign
all the world will be my slave again

I will prevail for the darkness and pain
I will fight to control her soul
TIME AFTER TIME
time will not change what I used to be
burning heart in fear
TIME AFTER TIME

(Alle)
ARLES OMNIUM IN TENEBRIS DOMINE
I must fight against you
ARLES OMNIUM IN TENEBRIS DOMINE
I must fight against me, again and again

(Yannis)
ARLES OMNIUM IN TENEBRIS DOMINE
and the day will turn to night
ARLES OMNIUM IN TENEBRIS DOMINE
everyday my soul, my life bleeds

(Yannis)
I will prevail for the darkness and pain
I will fight to control her soul
TIME AFTER TIME
time will not change what I used to be
burning heart in fear
TIME AFTER TIME

(Alle)
I will prevail for the light of this reign
I will fight for her precious soul
TIME AFTER TIME
