

Trish Thuy Trang, One And One

The sky isn't always blue
The sun doesn't always shine
It's all right to fall apart sometime
I am not always you
And you are not always mine
It's all right to fall part sometime

CHORUS:

After all's said and done done
One and one still is one
When we cry, when we laugh
I am half you are half

A heart isn't always true
And I am not always fine
It's all right to fall apart sometime

CHORUS:

Ater all's said and done
One and one still is one
When we cry, when we laugh
I am half you are half
Look how far we have come
One and one still is...

One moon. One star
I love the one we are
One friend. One love
Then runs through our love

CHORUS:

After all's said and done
One and one still is one
When we cry, when we laugh
I am half you are half
Look how far we have come
One and one still is one.
